

Rowing Machine

Wi-ROW

for **Wii Fit™**
Balance Board

Compatible with
**Wii Sports™
Resort™**

Give your Wii Fit exercise routines some cardiovascular rowing action with the Rowing machine for Wii from CTA Digital. This basic, non-electric rowing machine is very similar to a rowing machine you'd find at the gym, but is designed to work perfectly with your Wii. Just connect your Wii Remote into the cradle on the pull bar and secure your feet on the foot pedals with the Velcro straps and you're all set! For more resistance while rowing, adjust the resistance level by turning the tension knob located on the side of the machine. With the Rowing Machine for Wii from CTA Digital, you'll be performing cardiovascular and aerobic exercises just like you would at your at the gym, but with out the expensive memberships!

Features Include:

- Connects to the Wii™ remote
- Tension knob for adjustable resistance.
- Compact and non-electric.
- Similar to gym standard rowing machine.

Package Includes:
